

## § 76.794

(b)(1) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1, but before February 1 of an academic year, the SEA must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

(2) The SEA may provide funds to the charter school LEA from the SEA's allocation under the program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA's allocation under the program for the succeeding academic year.

## § 76.794 How does an SEA allocate funds to charter school LEAs under a covered program in which the SEA awards subgrants on a discretionary basis?

(a) *Competitive programs.* (1) For covered programs in which the SEA awards subgrants on a competitive basis, the SEA must provide each eligible charter school LEA in the State that is scheduled to open on or before the closing date of any competition under the program a full and fair opportunity to apply to participate in the program.

(2) An SEA is not required to delay the competitive process in order to allow a charter school LEA that has not yet opened or significantly expanded its enrollment to compete for funds under a covered program.

(b) *Noncompetitive discretionary programs.* The requirements in this subpart do not apply to discretionary programs or portions of programs under which the SEA does not award subgrants through a competition.

### ADJUSTMENTS

## § 76.796 What are the consequences of an SEA allocating more or fewer funds to a charter school LEA under a covered program than the amount for which the charter school LEA is eligible when the charter school LEA actually opens or significantly expands its enrollment?

(a) An SEA that allocates more or fewer funds to a charter school LEA than the amount for which the charter school LEA is eligible, based on actual enrollment or eligibility data when the charter school LEA opens or significantly expands its enrollment, must make appropriate adjustments to the amount of funds allocated to the charter school LEA as well as to other LEAs under the applicable program.

(b) Any adjustments to allocations to charter school LEAs under this subpart must be based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA first opens or significantly expands its enrollment, even if allocations or adjustments to allocations to other LEAs in the State are based on enrollment or eligibility data from a prior year.

(Authority: 20 U.S.C. 8065a)

## § 76.797 When is an SEA required to make adjustments to allocations under this subpart?

(a) The SEA must make any necessary adjustments to allocations under a covered program on or before the date the SEA allocates funds to LEAs under the program for the succeeding academic year.

(b) In allocating funds to a charter school LEA based on adjustments made in accordance with paragraph (a) of this section, the SEA may use funds from the SEA's allocation under the applicable covered program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA's allocation under the program for the succeeding academic year.
